

Immunization Information

Children attending licensed child care facilities in Ontario must be immunized as required by the *Day Nurseries Act*. Please refer to the *Ontario Vaccine Requirements* sheet to ensure that your child's immunization is up-to-date for his or her age. Parents/guardians must provide a valid exemption for children who are not immunized.

Ottawa Public Health collects and maintains immunization information. The information is periodically reviewed to ensure that children continue to meet the requirements of the law.

Please remember to inform your child care provider and Ottawa Public Health every time your child receives additional vaccinations.

If an exemption is required for any reason, contact the Immunization Program at 613-580-6744 extension 24108.

Please complete this form and attach a photocopy of your child's immunization record.
