Registration Information

Registration for alumni families opens on February 13, 2018, and for new families on February 20, 2018.

There are 15 spots in the 2's program and 20 spots in the 3's program. Preference is given to full day registrants (6 spaces are reserved for full days).

Registration is on a first come first served basis. A complete registration package is required before a spot is offered to a family. Once a complete registration package is received, children are offered admission to the program based on the following priorities: 1) current members – returning children; 2) current members – siblings; 3) past members – alumni families 4) children still on waiting lists from current year; 5) others. Those who are not offered a spot will be placed on the waitlist in the order in which completed applications were received by the registrar.

Registering Your Child

Registering your child is a two-step process; Step 1: Complete the online registration form (emailed to returning families, or accessible through our website (www.wvcp.ca); Step 2: submit the following completed documents:

- 1) a police records check for work with the vulnerable sector for at least one parent (or family representative)* who will complete duty days, or for returning parents with a valid police records check**, an offence declaration (found [HERE](#) or at www.wvcp.ca);
- 2) Immunization Information Form (found [HERE](#) or at www.wvcp.ca);
- 3) A copy of your child's Immunization Record;
- 4) Pre-Authorized Payment Contract (found [HERE](#) or at www.wvcp.ca);
- 5) A void cheque;
- 6) A \$60 cheque for the registration fee (new children only), dated for current date;
- 7) A cheque in the amount of one month's tuition, dated June 1, 2018.

*Please note each parent and/or caregiver who will assist as a duty parent must complete a separate police records check for work with the vulnerable sector.

** Police records check can now be requested online <https://www.ottawapolice.ca/en/contact-us/Police-Record-Checks.asp>. There is no cost to obtaining a police records check for work with the vulnerable sector due to the voluntary nature of the position it is required for. A letter, addressed to the Ottawa Police, is available on our website to assist (found [HERE](#)).

These documents must be deposited in the Registrar's physical mailbox located outside the Church's main entrance (470 Roosevelt Avenue) within seven days of completing the online application for a registration package to be considered complete.

For more information regarding these documents, or any questions pertaining to them, please consult the Parent Handbook (found [HERE](#), or at www.wvcp.ca). You can also direct any questions you may have to the Registrar wvcp.registrar@gmail.com.

Please note that once you have started the online registration, you cannot save and return to it later. In order to complete the online registration, in addition to yours and your child's information, you will need: health card information, to be registered on the City of Ottawa waitlist, information for two emergency contacts (name, relationship to child, address, phone number) and information for individuals authorized to pick up your child from the program (other than parents), if any.
