

## ***Summer 2019 Programming***

We are thrilled to be able to offer a summer program this year! Our regularly scheduled school year will end on Friday, June 28<sup>th</sup>. The summer program would then commence the following Tuesday (following Canada Day) and run through until August 16<sup>th</sup> (with the exception of the Civic Holiday on August 5<sup>th</sup>).

The summer program will be the same type of programming we currently offer, but with more flexibility on your options. You can choose whether you'd like to sign up for one month or one week, or anywhere in between.

In order to sign up, please fill in the application, which can be found [HERE](#).

We've pulled together some Questions and Answers below which you may find helpful. If you have any additional questions, please email us ([info@wvcp.ca](mailto:info@wvcp.ca)) or speak to Sabina!

**Q: Will duty days still be a part of the summer program – ie. Will I be scheduled for a duty day?**

A: Yes – our programs will mirror our year round programs, and parental involvement (including duty days) will continue to be an integral part of the program. The frequency of duty days will depend on the number of children registered.

**Q: I want to register for the first two weeks of July and then the first two weeks in August – how do I do this in the registration form and how will I be charged?**

A: In the field below the 'end date' of the registration form, please simply state that this. We will add the enrolment based on this, and send you a confirming email to go check the parents portal to verify we got it right. If you register for less than a full month in July, then our weekly rate applies. The weekly rate for August will apply, as we are not offering a full month program in August.

**Q: Will there be an outdoor component to the summer program?**

A: While we strive to keep the kids active between the gym and classroom, the reality is that outdoor outings are weather dependent, and very reliant on extra sets of hands from our cooperative members to ensure that we have enough to volunteers to ensure a fun and safe outing. Please note that any volunteers on these days must have a valid police record check for work with the vulnerable sector.
